LEAD THE WAY

Ses'fikile

THE BEAT OUR CITY MOVES TO

There is a rhythm to our city, alive and composed by the people moving to its colourful energy. The Ses'fikile is here to make sure we keep up with the tempo of the ever-present musical hustle and bustle. Purpose-built around the backbone of Toyota's hallmarks; Quality, Durability and Reliability - to become South Africa's most desired taxi. It has the exclusivity and comfort that people queue up for.

Here is a minibus that has the power to drive you in comfort, style and safety. The Ses'fikile is here to turn up the volume and keep our people moving to the groove that is South Africa.

SES'FIKILE 2.5 DIESEL MODEL SHOWN

FIFTEEN PASSENGERS CAN BE SEATED COMFORTABLY

Homeward bound safe and sound.

Along with all the mandatory taxi recapitalisation safety specifications, the Ses'fikile ensures that drivers and passengers are afforded the maximum protection with ABS (Anti-lock Braking System), roof and window emergency exit, driver and front passenger airbags, central locking and safety belts for every passenger.

Solid front suspension with an independent double wishbone and stabiliser, as well as a rigid axle and leaf spring suspension at the rear is a foundation that you can rely on for excellent road holding.

No matter what the weather holds or how tricky the road surfaces may be, power steering, front heaters to demist the window and front window wipers with washer and intermittent function work together to keep your journey forever in view.

PASSENGER AIRBAGS

WINDOW EMERGENCY EXIT

The mover for the shakers.

The Ses'fikile has been given a modern polish to keep you shining through our cities ever changing backdrop. A redesigned heat panel and outside temperature display will keep you in touch and in tune with your surroundings. We've also redesigned the front bumper and radiator grille as well as the headlamps and rear combination lamps to ensure that everybody sees you coming.

The Ses'fikile has maximised interior space for sixteen people, fifteen passengers can be seated comfortably, in seats that both cushion and support each individual. Front cup holders have been provided so you can stay refreshed throughout the day and durable PVC flooring is there to prevent your passengers from any slip-ups.

With you for the long run.

A powerful 2.7 four-cylinder VVT-i petrol engine (with Variable Valve Timing - intelligent) or the 2.5 litre D-4D intercooled common rail turbo diesel engine results in low fuel consumption and reduced emissions, providing a satisfying and economical driving experience. The Ses'fikile was built to keep people moving and arriving at their destinations from sunrise to sunset.

2.7 VVT-i PETROL ENGINE

VVT-i (Variable Valve Timing - intelligent) engine technology combines outstanding drivability with low fuel consumption and reduced emissions.

2.5 D-4D DIESEL ENGINE

Common rail technology allows for the precise measurement and injection timing of fuel. The result? More power, better fuel consumption, less noise and less pollution.
